Graphics Designer

About Me

I'm a recent web developer with a strong interest in front-end development. I have a solid understanding of HTML, CSS, and JavaScript, and I'm also familiar with React. During my studies, I developed a responsive e-commerce website which allowed me to learn about building dynamic applications. I'm passionate about creating engaging and user-friendly web experiences, and I'm eager to learn and grow as a web developer. I'm looking for an opportunity to contribute to a team where I can apply my skills and learn from experienced professionals. I'm particularly interest
